Now, I am preparing for the procedures of the israeli board exam, so I am now volunteering at the Jerusalem Princess Basma Centre to end 160 volunteering hours as a first stage before the exam.

After making the exam and pass it, I hope I will find a master scholarship to complete my study to be developed in my specialty and I hope to find a job too.

-After graduation, in the fourteenth of july, I got married.

At the end I want to thank you a lot for everything, your scholarship was the most generous gift to me. Thanks for your generosity in supporting me as I pursue my dream.

I hope oneday I will be helping children in education as you did and are doing today.

Thanks DSMT

Haya.
